Dear Andy,

I wanted to send a line to thank you for installing our new track at Hedgesville High School.

I know you are involved with many projects but I really appreciate the attention you gave to us.

I appreciate dealing with people that do quality work and pay attention to detail. I could tell that is what you expect and am thankful that Precision did our track.

I am also thrilled that we were able to get the Rekortan surface. Special thanks to your crew for all of their hard work.

Thank you for providing a track surface that we can all be very proud of.

Sincerely,

A handwritten signature in black ink that reads "Mark Norris".
